The Honorable Andrew Wheeler
Acting Administrator
Environmental Protection Agency
1300 Constitution Avenue, NW
Washington, DC 20006

Dear Acting Administrator Wheeler:

Please disregard the letter you received from me dated August 13, 2018, regarding funds under the *Water Infrastructure Finance and Innovation Act* for the California WaterFix project. It was sent in error, by a staff member, without my authorization. While I support the work of the water districts serving the congressional district I represent, I do not support the California WaterFix project.

Please contact me with any questions.

Sincerely,

Eric Swalwell
Member of Congress
