Re: Public Records Act Request Dated May 22, 2018

Dear Ms. Barrigan-Parrilla:

This letter is a follow-up to our letter dated May 31, 2018 regarding your May 22, 2018 Public Records Act Request. Metropolitan is in the process of collecting and reviewing records responsive to your PRA Request. Due to the breadth of the records, we anticipate that we will be able to begin producing responsive records, likely on a rolling basis, by June 28, 2018.

Very truly yours,

Marcia L. Scully
General Counsel
