Subject: WaterFix C20185 - Update on Recusal of Maria Mehranian

Sending on behalf of Chief Counsel Bethany Pane:

Dear Parties:

Last month, Council Member Maria Mehranian recused herself from the WaterFix appeals proceedings because her employer's bid for a contract to work on the project created a potential conflict of interest. The bid was not successful, thus removing the potential conflict and the need for her recusal. Ms. Mehranian will participate in the WaterFix appeals process effective today.

Kind regards,
Bethany Pane
Chief Counsel
